

INTERNATIONAL MANAGEMENT INSTITUTE

Criteria for Short Listing Candidates to be called for Interviews

Candidates have been short listed for the interview process based on CAT sectional and overall percentile cutoff. The following CAT sectional and overall percentile cutoff has been used for this purpose.

Program	Quant	Verbal	Data Interpretation	Overall
PGDM Self sponsored	50	50	50	95
PGDM (HR) Self sponsored	50	50	50	92
PGDM Company sponsored	45	45	45	80
PGDM(HR) Company sponsored	45	45	45	77

Criteria for Selection of Candidates for making Admission Offers

Candidates called for interviews will be asked to write an essay, participate in a group discussion, and appear in an interview panel. Final selection of candidates for making admission offers will be based on evaluating multiple parameters, which will include performance in the group discussion, essay writing exercise, personal interview, scholastic performance in secondary, higher secondary, under-graduate examinations, and relevant work experience.

The CAT sectional and overall percentile cutoff will not be used in the final selection process and will only serve as a mechanism to short list applicants to be called for the interview process.
