IMI NEW DELHI OPENS ADMISSION

International Management Institute (IMI), New Delhi has opened admissions to its four prestigious courses – Post Graduate Diploma in Management (PGDM), Post Graduate Diploma in Human

Resource Management (PGDM-HRM), Post Graduate Diploma in Banking and Financial Services (PGDM-B&FS) and Executive Post Graduate Diploma in Management. The last date to fill the form for PGDM, PGDM (HRM) and PGDM (B&FS) courses is December 5, 2015. For those seeking admission to EXPGDM, the last date is February 12, 2016.

Three of these courses – PGDM, PGDM (HRM) and PGDM (B&FS) – are two-year programmes. The Post Graduate Diploma in Management (PGDM) is designed to prepare students for careers across functional areas of management. Post Graduate Diploma in Human Resource Management or PGDM (HRM) equips students from varied disciplines for careers in human resource management. A Post Graduate Diploma in Management in Banking & Financial Services or PGDM (B&FS) preps students for careers in the banking and financial services industry.

The executive programme, EXPGDM, however, is a 15-month programme that's been aimed at the middle level managers with a minimum of 5 years of work experience (post qualification). It includes 10.5 months of course work at the IMI New Delhi campus and a 5-week optional course at a partner Business school in Europe/USA. The executives then present a dissertation over the next three months (company sponsored executives do a dissertation at their workplace).

The application form for these courses is available at <http://admission.imi.edu> and the institute only accepts online forms.

INDUSTRY-FOCUSED PROGRAM ON BUSINESS ANALYTICS

Prin L.N. Welingkar Institute of Management Development and Research (WeSchool) and SAS Institute (India) has signed an MOU announcing strategic knowledge partnership to collaborate and provide training for students and faculty in the area of Business Analytics. Sudipta K. Sen, Regional Director, South-East Asia, Vice Chairman and Member of Board at SAS Institute (India) Pvt Ltd and Prof Dr Uday Salunkhe, Group Director, WeSchool exchanged book of collaboration and congratulated each other to the joint initiative of bringing industry and academia together to nurture talent in Business Analytics.

Analytics has gained prominence in light of increased competition and unprecedented challenges faced by most of the companies. As economy evolves and business and economics continue to change, many companies are using analytics to create a competitive edge. This generates a large pool of opportunities for upcoming talent in diverse sectors like banking and financial services, FMCG and consumer durables, retail and e-commerce, health-care and pharma, airline and telecom.
