on

“Wealth Creating Mindset”

December 19- 20, 2019

Program Director:

Prof. Aman Srivastava

**International Management Institute
New Delhi**

INTRODUCTION

In today's business scenario rapid changes are taking place at lightning speed. The benchmarks of performance excellence are continually moving and the competition is getting increasingly fierce. It is clearly the age of globalization where every business is becoming a global business irrespective of the territories one operates in. In fact, today global competitors are operating in one's own backyard and therefore heightening the pressure on companies to become globally competitive.

In the emerging environment, creating wealth for the shareholders is widely accepted as the dominant corporate objective. The program focuses on the measurement and creation of wealth by a large commercial organization. The program would focus on the emerging geopolitics of gas and power sector, strategic thinking, measurement of value, identification of value drivers and risk management to prevent wealth destruction.

OBJECTIVES

The objective of the program is to help the participants to identify the value drivers in a large and growing commercial organization. The participants would be able to map the emerging environments and identify the impact of the same on the financial performance and health of the organization.

ABOUT IMI

International Management Institute (IMI) is India's first corporate sponsored Business School founded in 1981 with the original campus in New Delhi. The corporate sponsors included RPG Enterprises (lead sponsor), ITC, Nestle, Tata Chemicals, British Oxygen, SAIL, and Williamson Magor. It was set up in collaboration with the then IMI Geneva, now IMD Lausanne. Subsequently two other campuses were set up in Kolkata (2010) and Bhubaneswar (2011). In the last several years, IMI New Delhi has been consistently ranked in the top 10-15 Business Schools in the country and among the top 5 private Business Schools. It is accredited by the UK based Association of

MBA (AMBA), one of the top three international accreditation bodies for Business Schools globally.

IMI New Delhi has global linkages with leading schools in Europe, North America, and Asia. The Institute currently offers the PGDM, PGDM-HRM, PGDM-Banking & Financial Services, Executive PGDM and FPM (doctoral program). In addition, it has built a vibrant Executive Education vertical offering training to management professionals from the corporate world. The Institute has been empaneled by the Government of India to train participants from developing countries under the International Technical & Economic Corporation (ITEC) program of the Ministry of External Affairs.

IMI New Delhi puts a strong focus on high quality research by its faculty leading to publications in international peer reviewed academic journals. Its faculty have PhDs from top international and national universities/institutes, with many of them also having significant corporate experience.
