WORKSHOP

FDDI

KKR Footwear Design And Development Institute recently conducted a workshop cum-exhibition on merchandising and site selection at FDDI. The theme reflected the innovative, innovative and use of existing resources in the most precise manner. The workshop encouraged the students to experiment with innovation and use a stunning, unique way with materials that are readily available.

ONLINE COURSE FOR SCHOOLS

Meritnation, the largest online education company in the K12 sector (kindergarten to Class XII) has launched its complete range of online courses for students in Classes VI to Class X under Maharashtra State Board. These online courses in Maths, Science, English and Hindi include multimedial lessons, revision notes, computer wise practice tests and model tests. The students will also be able to benefit from unique adaptive assessment engine Formative Assessment — which is aimed to identify and improve weak areas.

IMI RANKS AT NO 6

International Management Institute (IMI) has secured a commendable overall rank of No 6 in the latest ranking released by the NHRD (National Human Resources Development) Network. In addition to its overall sixth rank amongst all B Schools, IMI has also earned the distinction of securing the No 2 slot amongst the B-schools in North India and many leading management institutes in the region.

The NHRD is a leading apex body of human resource professionals with a membership base of 12,500. Its primary role is to enhance and strengthen professional-

ism and learning standards amongst the Human resource fraternity in the country.

In the functional disciplines, IMI has established its leadership status through its impressive ranking in the areas of Human resources (rank 2), Marketing (rank 3), Finance (rank 5), Strategy (rank 5) and Operations (rank 7).

Speaking on the ranking of the institute Dr Pritam Singh, DG, IMI said: "At IMI we develop socially sensitive, ethical, value adding leaders and organisations through relevant teaching, research, training and consulting that serve stakeholders' interests."

GOLD FOR MANAV STHALI

Manav Sthali School, R Block, New Rajendra Nagar, New Delhi has won two gold medals in *Odyssey of the mind*. It is an international programme that provides problem solving opportunities for students from kindergarten through college. Team members apply their creativity to solve problems that range from building mechanical devices to performing their own interpretation of literary classics.

Thousands of teams from the US and from 25 other countries participated in the programme this year.

The teams that won gold medals in the regional level presented creative solution to a mechanical based problem and a performance based problem.

In the mechanical based problem a team of seven students between the age group of 13-14 years along with two coaches had to design and depict a creative performance that includes a technical representation of messages being sent by email where in team members were not allowed to touch the emails while the server is processing the message.
